## MATERIALS SCIENCE INTERNATIONAL, INC.

**PHONE:** (614) 870-0400

**EMAIL:** sales@msitarget.com

**CONTACT REP.:** Joe Kupisch (CEO)

**WEBSITE:** www.msitarget.com

**BASED IN:** Columbus, OH 43228

**BUILDING 1:** 1660 Georgesville Rd.

**BUILDING 2:** 1400 Norton Rd.

**UEI:** HC2TH3E3GHD6

**CAGE:** 15DC2

### NAICS CODES:

- ▣ 327999    ▣ 333514    ▣ 541330
- ▣ 332710    ▣ 332999    ▣ 541380
- ▣ 331492    ▣ 336330

### CORE COMPETENCIES

- ▶ Foundry with Alloying and Casting
- ▶ Large Capacity Machining Centers
- ▶ Casting Centers
- ▶ Machining Cells
- ▶ CMM Inspection
- ▶ Engineering Capabilities
- ▶ PVD Target Manufacturing
- ▶ Backing Plate and Bonding Center
- ▶ Thermal Spray Technologies
- ▶ Sandblasting and Surface Prep
- ▶ Welding and Metal Fabrication
- ▶ Laboratory/Chemistry/Microscopy
- ▶ ICP Testing

# CAPABILITIES STATEMENT

## COMPANY OVERVIEW

**Materials Science International, Inc. (MSI)**, founded in 1981 and based in Columbus, Ohio, is a world-class manufacturer specializing in high-quality sputtering targets and customized precision machining solutions. MSI operates two facilities totaling over 70,000 square feet, equipped with state-of-the-art manufacturing equipment and advanced laboratory technologies. The company provides end-to-end design, manufacturing, and service support for specialized components and equipment development. MSI is **ISO 9001:2015 certified** and follows a Total Quality Management approach focused on continuous improvement, consistent quality, and customer-driven process excellence.

## DIFFERENTIATORS

- ▣ Highly qualified fabricators with 45 years of experience.
- ▣ Depth of precision CNC machining experience across multiple industries.
- ▣ Low, medium, & high volume production of complex machined parts.
- ▣ Personal and dedicated customer service.
- ▣ High customer satisfaction.
- ▣ Practice lean manufacturing principles.

## PAST PERFORMANCE

- ▣ NASA
- ▣ PPG Aerospace
- ▣ Medical Components
- ▣ Commercial Solar
